

The 120 degree spotlight!
Fully dimmable and compatible with most existing dimmers. Excellent light distribution. Outstanding thermal solution allows for usage in commercial application. UL listed and manufactured under ISO 9001:2008
Environmentally friendly – no mercury or lead. 80% energy saving compared to halogen lamps. Suitable for accent and general lighting, such as lobbies, shops, and reception areas.
Maintenance free operation; lasts up to 20 times longer than conventional lamps.
