SKU	
13W 4"	SX-SL4-13
13W 5-6"	SX-SL6-13
18W 5-6"	SX-SL6-18

The LED Downlight, combined with the Retrofit Kit, replaces Port Lights. It consumes 13W and 18W only, saving at least 80% energy and lasting 20 times longer than a halogen lamp. It has extremely even light distribution and is dimmable to 10%. The LED Downlight provides illumination lighting for homes, offices, restaurants, hotels, malls, etc.
